The TOEFL iBT is a standardized English language test that is required by many universities and colleges for international students. The test has four sections: Reading, Listening, Speaking, and Writing. The Writing section is divided into two tasks: an integrated writing task and an independent writing task.

The integrated writing task requires you to read a passage and then write a summary of the passage. The independent writing task requires you to write an essay on a given topic. Both tasks require you to use a variety of words, phrases, and idioms in order to express yourself clearly and effectively.

Here is a list of 500 words, phrases, and idioms that are commonly used in the TOEFL iBT. These words, phrases, and idioms are organized by topic.

You can use this list to help you prepare for the TOEFL iBT and improve your writing skills.
