Ethnicity and Family Therapy, Third Edition is a comprehensive textbook that provides an in-depth exploration of the intersection of ethnicity and family therapy. The book is written by a team of experts in the field, and it

offers a comprehensive overview of the field, including historical and theoretical perspectives, research findings, and clinical applications. The book is essential reading for anyone working with ethnically diverse families.

Overview

The book is divided into four parts.

1. **Part I: Foundations**
2. **Part II: Assessment and Diagnosis**
3. **Part III: Treatment**
4. **Part IV: Special Populations**

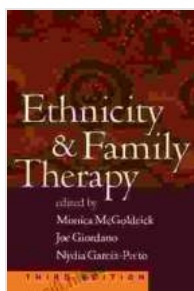

Part I provides an overview of the history of ethnicity and family therapy, as well as the major theoretical perspectives that have been developed in the field. **Part II** focuses on the assessment and diagnosis of ethnically diverse families. **Part III** discusses the treatment of ethnically diverse families, including both individual and family therapy approaches. **Part IV** addresses the special needs of specific ethnic groups, such as African American families, Latino families, and Asian American families.

Key Features

Some of the key features of the book include:

- **Comprehensive coverage** of the field of ethnicity and family therapy
- **In-depth exploration** of the historical, theoretical, and clinical aspects of the field
- **Contributions from a team** of experts in the field
- **Case studies** and examples that illustrate the application of theory and research to clinical practice
- **Discussion questions** and exercises that help readers to apply the material to their own work

Ethnicity and Family Therapy, Third Edition is an essential resource for anyone working with ethnically diverse families. The book provides a comprehensive overview of the field, and it offers a wealth of practical information that can be used to improve the quality of care for ethnically diverse families.
