## About Skate For Your Life

Skate For Your Life is a non-profit organization that uses skateboarding to empower homeless youth. We were founded in 2009 by a group of skateboarders who were inspired by the power of skateboarding to transform lives. We believe that skateboarding can teach homeless youth important life skills, such as leadership, teamwork, and perseverance. We also believe that skateboarding can provide homeless youth with a sense of community and belonging.

Our programs are designed to meet the unique needs of homeless youth. We offer a variety of programs, including:

- **After-school programs:** Our after-school programs provide homeless youth with a safe and supervised place to hang out, learn new skills, and build relationships.
- **Summer camps:** Our summer camps provide homeless youth with an opportunity to experience the outdoors, learn new skills, and make new friends.
- **Mentoring programs:** Our mentoring programs provide homeless youth with one-on-one support from adult mentors.

We also work to advocate for the rights of homeless youth. We believe that homeless youth deserve the same opportunities as other youth. We work to ensure that homeless youth have access to education, healthcare, and housing.

## The Impact of Skate For Your Life
